To: NYS P-TECH Grant Administrators

From: Christopher Fernando, PhD Supervisor of Higher Education Programs

Re: Extension of the 2019-2020 Project Period End Date

Thank you for your continued commitment to supporting students and families across New York State during this unprecedented time. We recognize that statewide school closures make it nearly impossible to effectively utilize the resources provided to meet the needs of students and families. The purpose of this communication is to inform you that we are extending the June 30, 2020 end dates of the 2019-20 project period for the following NYS P-TECH initiatives to April 30, 2021:

- x NYS P-TECH Cohort 1 (2019-2020)
- x NYS P-TECH Cohort 2 (2019-2021)
- x NYS P-TECH Cohort 3 (2019-2022)
- x NYS P-TECH Cohort 4 (2019-2024)

Please note that this project period end date extension is limited to the above referenced NYS P-TECH programs only.

Please also ensure that the persons responsible for managing your NYS P-TECH grants are aware that if your district expects to receive NYS P-TECH grant funding for the 2020-2021 project period, there will be an overlap of funding. It is the school district's responsibility to manage and differentiate this overlap as required. Should you have questions on this, please contact your Program Liaison at the New York State Education Department.
