record their errors and prosody from the National Assessment of Educational Progress (NAEP) Oral Reading Fluency Scale (1995).

A description of how the assessment is administered

Let's Go Learn's DORA assessment is online and resides on our AI system. All Let's Go Learn assessments are administered online and thus any rater bias or test-admin bias has been eliminated by the very nature of the assessment being objectively delivered by a computer device online. The test-admin scripts provide guidelines for ensuring that technology checks have been performed prior to the assessments and that the
