Assistive Technology for Students with Disabilities

This is one in a series of policy briefs prepared by the New York State Education Department on topics pertaining to implementation of the Individuals with Disabilities Education Act (IDEA) in New York State and Part 200 of the Regulations of the Commissioner of Education.

DV QHFHVVDU\ LQ DOO DSSURSULDWH VHF\ effective educational programming.

Who is responsible for providing assistive technology services?

If assistive technology services are required for a student, the Committee must decide who will be responsible for providing these services. Such services may include teaching the student to use his/her assistive technology device, customizing the device, if appropriate, and/or maintaining and repairing g /TT0 12 Tf 518.14 654.82 Td [(a)-3 (n)-3 (d)-3 (
